Mooloolaba Lioness News...

Hello all after our enforced lock down last March.

Although we have been very dormant during this past time we Lioness have endeavoured to keep in touch and spirits up with personal contact where possible, much phone and internet contact, even to exchanging some of those very funny and possibly rescue jokes flying through the internet. Much appreciated by some who were a little down.

Family pressure and common health sense stopped some from continuing to assist with market rosters. With easing of restrictions in May we gathered at Buhk Park for a happy morning tea and information sharing all round on health and families. A request to assist with Mooloolaba Tri and possibly Kawana Tri in October and decision by some to let President Lion Shirley know help with gate roster was back if required.

A call from Coolum Lioness to wish us well and say they were very low in members at this time. Advised Buderim Lioness closed their books last December. The combined Lioness September morning tea will have to have some thought. President Mari e hopes to get everyone together for a happy -sad farewell to Lioness Cubs after June 30/2021. Lion Ron A. may have achieved his ongoing ambition for all Lioness members to have received their long awaited 'Certificate of Appreciation'.

Mooloolaba Lioness committee 2020/2021 will remain status quo for this our last year as a Lioness Club with just key Board members to be present at Lions Installation evening 2020. Once again our members had a busy successful year deciding earlier that \$15000 in disbursements would be mailed to our chosen charities this time, holding some in reserve for those unexpected requests that need assistance through the year. Discussion to restart Market Stall in August will need some thought and discussion with Lions Market Team on our setup. An email from Lion Kerry advising possible start to Bunnings BBQ 'Sizzles' and request for assistance from those interested if goes ahead will be finalised at our coffee morning 10am Thursday 23rd July.

President Report

Thank you to the outgoing Board for your contribution to Mooloolaba Lions Club through challenging times with Covid-19 restrictions affecting meetings and management of Fishermans Road Markets. Thanks to all who have assisted to ensure compliance for all attending. I look forward to working again with some old and new faces on the Board. Welcome to David and Tim as Directors.

I am excited that we can meet in July and with increased but limited numbers are able to have changeover in August. I look forward to meeting you all again at Alex Surf Club and welcome our new members Jaz and Rick Hoy, Matthew Phillips and Donna Sewell who has transferred from Noosa Club. They bring fresh ideas and new skills that will enhance our clubs ability to serve our community.

Thank you to the Social Committee who organised the visit to Compass Café in Nambour. It was a very pleasant day with lunch and then out to the farm where we saw the social enterprises of art and crafts, chooks, goats, horses and fruit growing, production of preserves in the commercial kitchen that are packaged as gifts for a local car dealer. Everyone was happy to share their achievements and all had a smile on their dial. Lisa was very welcoming and thanked us for the donation for the Air Conditioner at Caloundra Compass.

While reflecting on the year I revisited the survey from last year that targeted areas for improvement and note the following.

Communication has improved – emails is an excellent way for information to be shared so please always read them.

Suggestions for social activities were taken on board by the Social Committee and have come up with an excellent program again this year.

Combine greeter with Raffle/lucky door prize was well received. Thanks to Lorraine who has organised this monthly. Our dinner costs included the cost of the raffle. This year it is proposed to have a Lions Lucky 100 in addition to lucky door prize.

Employ IT person to organise website – thanks to Website team and all who contributed information for updated websites. This in an ongoing project and now have Rick who is giving his expert guidance and time to assist with ideas to move us into a digital world.

Promote Lions in the community – we are continually working on strategies to market what we have achieved and continue to explore options to assist others.

Treat each other gently with gratitude, appreciating everyone's contribution to provide service to the community and support each other. Thank you for the friendship and support you have shown me as your President.

I look forward to another year of working alongside you to serve our community.

Market Report

A welcome return to previous trading levels:

Following the woes caused to all business COVID-19 and the restrictions to market trading it is pleasing that we have now returned to our previous good trading levels, but still showing 17 of our Weekly Regular Stall-holders who occupy 25 stall sites not yet returned I will be checking with Catherine as to whether she has any advice about return dates and if not I will arrange contact with them.

With very low numbers from the 15th March and Government restrictions we relied very much on our hard core produce stall-holders for support. Yesterday we were back to 129 stall-holders trading to crowds of public enjoying a perfect sunny morning and queuing at all the food outlets.

Comparisons for the first 2 Sunday of July for past years: 120 stall-holders for 8th July 201876 stall-holders for 7th July 2019.....129 stall-holders for 5th July 2020. Next week of school holidays should again read 123/ 130 stall-holders with N.S.W visitors being here too.

Special thanks to President Shirley for staying up with all the COVID-19 requirements, liaising with Secretary Peter and both organising necessary signage to meet State Government requirements, plus the work of Bookings Officer Catherine and her understanding of matters and the ability to convey that in the written word to stall-holders and verbally in response to other enquirers.

WIN T.V. Our current 6 monthly contract fell due at the end of June and I request Board approval for renewal at similar costs to those of previous terms.

Access to Market Power Supply: Recent safety changes have seen our Second Shift Teams being responsible for the locking of the Power Board Cabinet. Two weeks ago while checking out a couple of site details I was approached by Stall-holder Michael Moss who operates Sea Foods Sales from his van on Fishermans Road approx. opposite the location where our Lions Van parks.

He walked over and asked me about the Council Box now being locked by us. I pointed out that it is our box and for Security/Safety purposes the Lions Club Safety Officer has organised this locking to stop "all and sundry" using our power outside market trading hours and putting the Club and our members at risk should there be some unfortunate occurrence.

He confirmed he had until recently provided his own generator. At Yandina Market he has access to onsite power and requested he have that arrangement when doing his street sales each Thursday and Friday.

I advised that any approval would be by a Board decision, but I would pass his request on and if approved the need for a key like other stall-holders have.

He did offer to pay up to \$15-00 for each occasion he used our power. I now pass this matter over to the Board for decision.

VP Report

Glass's: Lynette and Jenny are at it again and collected 450 glasses in June. Great to see some things are returning to normal.

Mints: I have restarted my Lions Mints at some outlets and have collected some returns. Be interested in how these fair post corona.

Driver Education: M.S.H.S. has rescheduled one of their Driver Education courses for some of their Students. All going well Courses will be: 19/20 and 28/29 October 2020. Question will these coursed be will be from the 19/20 budget or 20/21budget. To be discussed at Board. However, great to see Schools taking some initiative to secure this opportunity for their Students.

Welfare: The team is doing their background work with Club members.

Social: Lynette and Social Activity Team to keep members informed of Club social activities. Last one was great, unfortunately I was late and did not enjoy the fellowship to the extent as I should have., but was enjoyed by all.

Club Dinner Meetings: Our Club Dinner Meetings will recommence this month on Tuesday 14/07/20 at the AHSLC. Could all apologies for non attendance be forwarded to me by either phone,(have messagebank), or email or member will be considered as attending. I am aware of some apologies and do not need advising. There are some conditions but I am sure the Surf Club will attend to their end,so we must ensure to our end, Club Secretary Peter will be advising all members of attendance requirements. Looking forward to seeing you all again as a Club.

Congratulations: Tim Fraser being appointed 2nd Vice District Governor for 201Q4, late last month. However, I do draw the line at calling him DG2.

Re Ballot for the position of Second Vice District Governor Vacancy 2020/2021

In accordance with District 201Q4 Constitution – First and Second Vice District Governor vacancies a ballot was held for the position of Second Vice District Governor and I wish to advise that Lion Tim Sean Fraser was duly elected Second Vice District Governor 2020/2021.

Congratulations Tim you will do very well as 2nd DG and move up to DG in the next couple of years. We wish you all the best for this time of Leadership, and know your fellow Lions in Mooloolaba will support you in all you do.

No one believes seniors . . . everyone thinks they are senile.

An elderly couple was celebrating their sixtieth anniversary.

The couple had married as childhood sweethearts and had moved back to their old neighborhood after they retired.

Holding hands, they walked back to their old school. It was not locked, so they entered, and found the old desk they'd shared, where Jerry had carved I love you, Sally.

On their way back home, a bag of money fell out of an armored car, practically landing at their feet. Sally quickly picked it up and, not sure what to do with it, they took it home. There, she counted the money - fifty thousand dollars!

Jerry said, We've got to give it back.

Sally said, Finders keepers. She put the money back in the bag and hid it in their attic.

The next day, two police officers were canvassing the neighborhood looking for the money, and knocked on their door. Pardon me, did either of you find a bag that fell out of an armored car yesterday?

Sally said, No.

Jerry said, Shes lying. She hid it up in the attic.

Sally said, Don't believe him, hes getting senile

The agents turned to Jerry and began to question him.

One said: Tell us the story from the beginning.

Jerry said, Well, when Sally and I were walking home from school yesterday

The first police officer turned to his partner and said, Were outta here!

Here my Prayer Lord

A blonde finds herself in dire trouble. Her business has gone bust and she's in serious financial straits. She decides to ask God for help.

She begins to pray . . . "God, please help me. I've lost my business and if I don't get some money, I'm going to lose my house as well. Please let me win the Lotto."

Lotto night comes, and somebody else wins.

She again prays . "God, please let me win the Lotto. I've lost my business, my house, and I'm going to lose my car if I don't get some money soon."

Lotto night comes, and lady luck is not with her.

Once again, she prays . . . "My God, why have you forsaken me? I've lost my business, my house, and my car. My children are starving. I don't often ask you for help, and I have always been a good servant to you. PLEASE just let me win the Lotto this one time so I can get my life back in order."

Suddenly there is a blinding flash of light.

The Heavens open, and the blonde hears a booming voice:

"Sweetheart, work with me on this BUY A TICKET."

I have a little Satnav

I have a little Satnav
It sits there in my car
A Satnav is a driver's friend
It tells you where you are

I have a little Satnav,
I've had it all my life
It's better than the normal ones,
My Satnav is my wife

It gives me full instructions,
Especially how to drive
"It's 60 kms an hour", it says,
"You're doing Sixty five"
It tells me when to stop and start,
And when to use the brake
And tells me that it's never ever,
Safe to overtake
It tells me when a light is red,
And when it goes to green
It seems to know instinctively,
Just when to intervene

It lists the vehicles just in front,
And all those to the rear
And taking this into account,
It specifies my gear.
I'm sure no other driver,
Has so helpful a device
For when we leave and lock the car,
It still gives its advice
It fills me up with counselling,
Each journey's pretty fraught
So why don't I exchange it,
And get a quieter sort?

Ah well, you see, it cleans the house,
Makes sure I'm properly fed,
It washes all my shirts and things,
And keeps me warm in bed!
Despite all these advantages,
And my tendency to scoff,
I only wish that now and then,
I could turn the bugger off!
